

## SUBLEASE AGREEMENT FOR A RESIDENTIAL APARTMENT

<b>Information</b>	Subletting an apartment means that the holder of the master lease lets his/her apartment to another person for independent use. To sublet an apartment always requires prior permission constitutes grounds for termination of the master lease. If the landlord charge a rent which is higher than the rent paid by the landlord the Swedish rent tribunal can rule that any excess rent for the past two years must be paid back. If the apartment is furnished a ten percent increase on the monthly rent it is seen as reasonable.
